---

18                                 The Court has considered the motion filed by the parties concerning a continuance of the  
19 sentencing hearing in this case:

20                                 The Court finds that continuing the sentencing in this case is necessary in order to allow defense  
21 counsel adequate time to meet with the defendant, explore the allegation of ineffective assistance of counsel, and  
22 effectively prepare for sentencing.

23                                 The Court further find that the ends of justice are served by continuing the sentencing hearing in  
24 this case until October 28, 2005, affords Mr. Sims effective assistance of counsel.
